

Dear Parents,

Today we learned "Others see Jesus when I serve them!" We learned the parable of the Good Samaritan, and talked about how things are not always as they seem. While our kids are young, and it would seem they could not do much yet to serve others, we wanted them to see that they could, in fact, show Jesus' love! Our kids created care packages to give to others in need. We are encouraging them to give these care packages out, under their parents' supervision. They can let someone in need know that they care, and Jesus cares, too!
