

Family Confirmation Covenant

We want our family to grow in understanding God’s awesome and unconditional love for us and to grow in faith by the power of the Holy Spirit. By faith, we look forward to greeting one another in heaven. So, we promise to work together towards helping everyone in our family grow in a Christian lifestyle of faith and service. Together we agree to:

1. Pray for God’s guidance as we lead our child spiritually at home and model an active faith as adults.
2. Attend Sunday Education Hour with the intention of remaining faithful after Confirmation (John 8:47, Luke 10:16, Revelations 3:11)
3. Support our child in weekly confirmation instruction and completion of assignments and/or memory work.
4. Support and encourage our child in active participation in Lord Explorer events (watch the News and Notes for info) and participate ourselves in fellowship events of the church.
5. Support our child in completing at least 10 Service Summaries.
6. Support our child in completing 5 services of Acolyting.
7. Support our child in completing 3 Independent Studies per year.
8. Support our child in attending 2 Retreats per year.

We understand that these are expectations for our child’s participation in the Confirmation Ministry. We will inform the leader of absences and will help our child “make up” missed work or class expectations.
