

Invite a Friend to Worship

Invite a friend who is not a member at Holy Cross, and who doesn't attend worship often to attend a worship service with you. While you are worshipping together, make sure that your friend knows where to look in the hymnal and is not confused during the service.

After the worship service is over, ask your friend what they thought of the service. Here are some questions you could ask:

1. Did you like the service?
2. How is your congregation different?
3. What questions do you have about worship at Holy Cross?
4. Would you like to come to worship here again?

Answer the following questions:

1. What was it like to invite someone to go to church with you? How did you decide who to ask?

2. Does your friend attend worship at another congregation? What are the differences between the two places according to your friend?

3. Was your friend lost or confused during the service? How did you help them during the service?

4. What did you learn from this experience?
