

OLD TESTAMENT PROJECT

A good time to complete this project is during year 1 of Confirmation, during or after studying the Old Testament. This project may be completed at any time.

The Old Testament tells us about many very important events in Biblical history. Many events in the Exodus story can be connected to events in our own faith journey. This project focuses on those connections. As you work, keep two questions in mind.

1. What does this have to do with Jesus?
2. What does this have to do with me?

Each project should be focused on connecting one of the major parts of the Old Testament with the student's own faith in Jesus Christ. For example:

God reaching down to Egypt to deliver the Israelites from slavery, and God reaching down and delivering us from sin.

OR

God working through the plaques, and how He works through the earthly means in our lives.

The finished project can come in a variety of forms.

1. One-page typed paper
2. Drawing/ Painting
3. Poster
4. Video/ Song
