

## Heit's Point Lutheran Ministries

# 2021 Wish List

A Note from the Director: The items on our Wish List help us provide the best programs, hospitality, and overall camp experience for summer campers and the many patrons Heit's Point serves each year. Please take a few moments to look through the list and consider supporting the ministry in this way.

### **Information/FAQ About Donations:**

What do I do with the items once I've purchased them?

- You can bring them to the church office & give them to Dana, or (if ordering items online) you can have them shipped as a gift directly to Heit's Point: 28345 Heit's Point Ave., Lincoln MO 65338.

Can I just send a check instead of purchasing an item?

- Of course. If there is a particular item you would like to designate your money to be spent on, please let us know; otherwise we will add it to the general supply fund. You can send checks directly to camp (visit [www.heitspoint.com/donations](http://www.heitspoint.com/donations) for info about that) or you can give us a check to take to camp and we will deliver it/use it to purchase our supplies. Checks only, please; no cash donations.

Does it matter what brand I purchase?

- Items listed with specific brand names/types are preferred in that brand, but in most cases any brand will be accepted. Items without specifications may be purchased in any brand or type.

How many of each item is needed?

- Any amount is appreciated; many of these items need to be replaced frequently, so there's no such thing as "too many" of anything!

Do the items need to be brand new, or can I donate something I already own?

- Many of the items can be pre-owned, as long as they are just gently used/ still in working condition -- but new is best, if possible.

I have other questions about donating to camp. Who do I contact?

- For questions about the Holy Cross trip/sending donations with us this summer, contact Dana Otto at [dotto@hcross.com](mailto:dotto@hcross.com) or 636-541-7177
- For questions about Heit's Point in general, visit [heitspoint.com](http://heitspoint.com), call 660-668-2363, or email [info@heitspoint.com](mailto:info@heitspoint.com)
