# Our Program

We view our preschool program as a way to share Christian values with families and young children. Our intent is to support, encourage and provide opportunities that enhance the educational process already present in your home. Our program provides an environment where young children can explore and learn about God, themselves, others, and the world around them in an atmosphere of Christian love.

# Program Details

The Preschool program prepares students for Kindergarten and beyond by providing a balanced schedule of planned activities and play which develop the Missouri Early Learning Standards of Literacy, Science, Mathematics, Physical Development, Social/Emotional skills and Spiritual Development. Our core curriculum is taught during the Preschool class time for 4-year-old students on Mondays, Wednesdays and Fridays 8:30 – 11:30 a.m. or 12:30 – 3:30 p.m. and for the 3-year-old students on Tuesdays and Thursdays 8:30 – 11:30 a.m.

Families may add times of Extended Education in our Leaping Learners classroom Mondays through Fridays 8:00 a.m. – 5:00 p.m. Students have a structured schedule where they participate in activities to reinforce and enhance the Preschool Curriculum including stories, art, centers, and games. Students staying for lunch bring their own sack lunch.
